

The Essential WEDDING GUIDE

Hopefully we'll be seeing you on your big day! However, if you choose somewhere different we wish you every happiness. Nevertheless, we believe that there are 10 essential points to the perfect day – and we believe we have them all! So here goes...

- 1 Safe Hands** – It's critical that there is a trusting relationship between the venue and the happy couple! We're overrun with industry professionals, wedding awards and we've more wedding coordinators than any other venue we know! This ensures you of a speedy and attentive reply every time. It's your day, don't accept anything less. Even our Master of Ceremonies acts as your very own personal butler on your big day!
- 2 Fun, Fun, Fun!** – Don't forget to have fun on your big day! We're the experts, with more extras, more imagination and more wedding 'va va vooom' than is generally considered decent.
- 3 Just You - No Other Weddings!** – You may be keen to share your love with the world, but are you happy to share your big day too? Ensure there are no gate-crashing golfers, 'ladies who lunch' or men in stripy suits (*unless it's your crazy uncle Bob*). Le Petit Chateau is all yours for your big day
- 4 Options for Every Budget!** – Just because you're on a budget doesn't mean you can't have the best! With various pricing levels plus our all-inclusive packages, we really have something for everyone; so go on grab yourself a spectacular special offer.
- 5 Flexibility** – It's your day, so have it your way! Whatever your heart's desire we have endless possibilities. Our only limit is your imagination.
- 6 Dance Yourself Dizzy** – Please be careful, splitting up your evening guests into separate rooms for drinks and disco can spoil your day. At Le Petit Chateau we never split up your guests - separate rooms are for party poopers only! Don't worry, we also have cosy, comfy areas for your great aunty Mary.
- 7 Table Options** – Having the right furniture can really make a difference to your big day! We've rustic farmhouse tables, vintage chic or linen loveliness – only Le Petit Chateau gives you the choice.
- 8 Outdoor Weddings** – Secret palm tree filled Mediterranean Garden. Our outdoor ceremonies and celebrations are among the most distinctively different in the world. We have an outdoor terrace with retractable roof and fire pits, ring of fire water fountain and a wild meadow with romantic ruins.
- 9 Stunning Accommodation** – On-site accommodation is essential to help your day run smoothly. Blow your guests' socks off with our 29 boutique bedrooms and suites, many with freestanding baths and private roof terraces plus our complimentary Bridal Suite.
- 10 Fabulous Feasts & Crazy Cocktails** – We're experts in the tastefully traditional or daringly different. You choose and our award winning in-house chefs will deliver (*no part-time outside caterers here!*). Create everything from vintage tea parties to fine dining; posh finger buffets to meadow picnics; hog roasts to Asian banquets. Anything is possible, so long as it tastes good.
